Members of the God Squad, youth group of the First Christian Church, rehearse for the special presentation of "God Squad Ho Ho," a takeoff of the "Hee Haw Show" to be presented Saturday, July 26, at 7:30 p.m. in the fellowship hall of the church. Admission will be one dollar for adults with children under twelve free. Proceeds will be used to help a needy family in Murray.

Ford Offers Congress A Compromise Energy Plan

WASHINGTON (AP) — President Ford offered Congress an energy compromise today that his chief energy adviser said "seemed to us to meet all the objections raised" against the plan Congress previously rejected.

Administration experts said they ex-

pected his proposal would result in a six-cent-a-gallon increase in petroleum prices, including gasoline, by 1978.

Ford proposed to gradually phase out price controls over a 39-month period and an \$11.50 per barrel price ceiling on all domestically produced oil.

Ford said that, although this represents a rollback on all current uncontrolled oil prices, the \$11.50 ceiling would gradually be increased by five cents per month over the length of the program which runs through Nov. 30, 1978.

Federal Energy Administrator Frank G. Zarb told reporters the administration new decontrol plan "seemed to us to meet all the objections raised" against the proposal rejected by Congress last week. Ford had vetoed the congressional energy plan.

House Speaker Carl Albert said

President Ford's compromise energy plan will be acted on quickly by the House — and that it "might have a chance."

Ford called his plan "a critical first step in reversing our growing dependence on foreign oil."

He said it should be combined with a windfall profits taxes on oil companies and rebates of energy taxes to the American people. But he did not spell out details of such a program in a statement concerning the compromise he was sending to Congress today.

Zarb said the cost of all oil would rise to about \$13.45 a barrel at the end of the 39-month period.

On windfall profits, he said the details of that will be worked out with the House Ways and Means and Senate Finance committees. He said there is "no question but legislation of that variety can be written and passed."

Zarb said that the \$2 a barrel import tariff on imported oil would remain in effect.

Local Firemen Make Several Runs

City firefighters were kept busy during the sudden thunderstorm around noon Thursday, with five calls received due to lightning.

At 11:27, firemen were called to the home of Steve Barrow, 505 South Ninth, where lightning had struck the home. At 11:28, calls came from the Sager Grove Co. and from 101 South Eighth, to the home of H. D. Merrill. At 11:29, firemen answered a call to the home of Del Fleming, 1005 Westgate. All the fires were reported out when firemen arrived.

At 12:59 p. m., firemen responded to a call to the home of Gene Woods, Dills Trailer Court, where lightning reportedly was the cause of a fire.

Three Injured In Accidents On Thursday

Three persons were injured in traffic accidents during the sudden thunderstorm Thursday around noon.

At 11:29 p. m., a one-car accident injured the driver, Mrs. Mildred K. Stalls, 407 North Fifth, according to Murray Police. Officers said the car was going east on Chestnut, near Industrial Road, when it went out of control. Mrs. Stalls was treated and released at the Murray-Calloway County Hospital.

Two persons were injured in a two-car accident on South 12th Street, according to police. Neva S. Hopkins of Hazel and Madeline Jones, also of Hazel, were treated and released at the hospital. Officers said cars driven by Mrs. Hopkins and Donna Waldrop of Dexter, collided on the rain-slicked highway. The Hopkins car was going south on 12th and the Waldrop car was making a left turn onto 12th when the accident occurred.

Council Defeats Motion To Run Ambulance Service In Murray Fire Department

A motion to place local ambulance service within the Murray Fire Department was defeated on an 8-3 vote at the regular meeting of the Murray City Council last night.

The vote followed considerable discussion among the council members as to whether or not the city should operate the ambulance service or renew a contract with a private firm, Professional Ambulance Corp., for the service.

In other business the council:

—approved a request by the Murray Independent Board of Education that the council act as fiscal agent for the board;

—approved an ordinance on the first reading setting the tax rate for the Murray Independent School District at \$7.1 cents per \$100 valuation;

—changed a regulation governing the special investigative division of the Murray Police Department to allow the police chief to stipulate which officers will work in the division at a given time.

Councilman Howard Koenen reported that he, Mayor John E. Scott, and other council members had visited fire departments in Mayfield and Fulton (both also operate ambulance services). "We found the Mayfield service has been highly successful in their seven years of operation," Koenen said.

"I believe that some time in the future we'll have to run our emergency ambulance service from our fire department. I see no reason for delaying it further," Koenen added.

Council members who spoke in favor of the shift of the ambulance service to the Fire Department expressed the feeling that the move would be a money-saving change for the city as well as good public relations for the Fire Department.

Council member Rex Alexander said he was concerned about what problems would arise if two serious accidents and a major fire occurred at the same time.

"Do you feel if you assume the ambulance service that this will be

detrimental to fire fighting," Alexander asked Fire Chief Jackie Cooper.

"I feel like men will respond instantly (speaking of volunteers and off-duty firemen) and we will have personnel instantly," Cooper answered, indicating that he was confident that such an emergency situation could be adequately covered.

The city and county presently contract with Professional Ambulance Corporation for service within Calloway County. Under the present arrangement, the county pays 60 per cent of the contract cost and the city contributes 40 per cent. Jack York, owner of the service, has agreed to continue the private operation for another year at a contract price of \$53,500.

The fiscal court has already approved the new contract with the private firm and

the city council last night authorized the mayor to sign the contract after a review by the city attorney.

Part of last night's discussion centered around \$32,000 federal grant the city is to receive for the operation of an ambulance service. It was first thought that the grant could only be used if the city itself operated the service but councilman Melvin Henley reported last night that he had been informed by a spokesman in Judge Robert O. Miller's office that it had been learned that the grant money could be applied to the contract with the private firm.

Henley did suggest that the \$32,000 be set aside, possibly in a certificate of deposit, in anticipation of the city taking over the operation of the ambulance service in the future.

Apollo Astronauts Remain Under Observation Today

ABOARD USS NEW ORLEANS (AP) — The three Apollo astronauts detected a mysterious gas that caused one of them to pass out briefly after their return to earth and they remained under precautionary observation in sick bay on this ship today.

The astronauts also reported the gas caused a "burning and irritation in the eyes."

Doctors said a preliminary examination of astronaut Thomas P. Stafford, Vance D. Brand and Donald K. Slayton "does not show any apparent medical problems" and the sick bay confinement was called a precautionary measure.

The space agency reported today that the gas filtered into the Apollo cabin at 23,000 feet Thursday as the spaceship was returning from a nine-day space mission, during which the astronauts linked up with two Russian cosmonauts.

Doctors reported today that Brand had passed out for a few moments after the splashdown 330 miles west of Hawaii. But they said he quickly recovered when Stafford and Slayton gave him an oxygen mask. They also donned masks until the rescue crews reached them.

A NASA transcript of a conversation between the astronauts and the ship said that the touchdown shows Brand replying "I'm fine," when asked how he felt.

Moments later, Slayton is recorded as saying "Get the — hatch open."

"I think we passed out for about a minute there," commander Stafford reported. But doctors on the ship said that only Brand had passed out.

At first, NASA experts on the New Orleans thought that the gas in the cabin was nitrogen tetroxide, a potentially harmful substance that serves as the oxidizer in the fuel system for the Apollo steering jets.

An extensive check today uncovered no leaks in the jet system. Dr. Donald E. Stullken, NASA recovery team leader, said it was more likely the gas was the result of the explosive detonation of either small stabilizing parachutes or of a metal cover that protected the Apollo during the heat of reentry.

Explosives broke these pieces of hardware free about the time the spaceship began to repressurize by sucking in fresh outer air at about 24,000 feet.

Stullken said an aerodynamic disturbance might have allowed some of the combustion byproducts, gas and smoke, to enter the cabin through the fresh air intake.

Mostly Cloudy

Mostly cloudy this afternoon, with a slight chance of thundershowers. Highs in the mid to upper 80s. Partly cloudy and slightly cooler tonight and Saturday, with a few lingering thundershowers along the Tennessee border. Lows tonight in the mid to upper 60s. Highs Saturday in the low to mid 80s.

Winds light and variable this afternoon, and light northerly tonight.

Outlook for Sunday, partly cloudy and a little warmer and more humid.

Mason Hospital School Of Nursing To Hold Reunion At Kenlake July 31

By NANCY PETERSON

Responses by phone and letter are pouring into the home of Lucille Ross, a former director of nursing at the William Mason Memorial Hospital, who is arranging the 1975 reunion of the nursing classes that graduated from the institution.

An opportunity for former students, doctors and friends of the Mason Hospital to meet and hear educational papers given, the reunion and seminar will be held July 31 to August 3 at the Kenlake Hotel. Last held in 1973, the reunion numbered 40 people, and more than 50 are expected from all over the United States for the occasion, including doctors and nurses, all former students of the institution, who will present scientific papers.

Until 1949 the Mason Hospital had a prominent School of Nursing, begun in 1913, and whose first class graduated in 1915 under the direction of Flossie Maddox (now Frye), of Paris, Tenn.

As the hospital and staff grew, so did the school, and in 1921 Dr. Ora K. Mason was named its director, and the program was extended to three years. Her husband, Dr.

William H. Mason was chief of staff, and his brother, Dr. Robert M. Mason was a prominent surgeon.

Originally the outgrowth of a very small beginning, the first Murray Surgical Hospital was a five-room house. In 1911, and again in 1925, the hospital enlarged, and in 1935 a disastrous fire demolished the \$150,000 institution, although the lives of all 42 patients were saved.

Following a period of operation in the Morris Building on Murray's downtown square, the hospital again opened its doors, once again on its own land, in late 1936. It was from this structure the hospital expanded in 1964, and which still serves, in part, as a convalescent center connected to the hospital.

In 1922, the hospital had five graduated nurses and its training school was recognized and registered by the Kentucky State Board of Nurses. The average work week for a nurse was 60 hours, for three years, at the end of which, with appropriate study and after passing the required examination, diplomas were awarded.

Begun in 1971 as the reunion of the last graduating class of the institution (class of

'45) arranged by Mrs. Ross, the notion of a reunion appealed to other class members. Thus the Alumni Association, which was disbanded with the death of Mrs. Ralph Wear, was revitalized, and reunions were scheduled for once every two years, the next scheduled for 1977.

Presenting scientific papers to the group will be Dr. Edison Fisher, Los Angeles; Dr. and Mrs. Arthur Kugel (Helen Ashley), Pasadena, Calif.; Dr. Howard Ferguson, Shady Cove, Ore.; Prof. Evered Hicks, University of South Carolina, and Dr. and Mrs. Rolan Falk (Esther Brodersen), Conynville, Ore.

Also participating in the program are Mr. and Mrs. William Iles (Jean Walton), Orlando, Fla.; Mr. and Mrs. A. C. Petersen, Otterville, Mo.; Mr. and Mrs. A. L. Frye (Evelyn DuBois), Nashville; Mr. and Mrs. Kenneth Stringer (Kathryn Gatten), Westfield, N. J., and Mr. and Mrs. Forrest Pinder (Frances Martz), Springfield, Tenn.

"The whole purpose of the get-together is for fun, reminiscences, and seeing old friends, and we hope lots of folks will come out to talk with their old friends," said Mrs. Ross.

County-Wide Crusade Set To Begin Here August 26

Ty Holland Stadium has been named the site for AWAKENING '75, a county-wide crusade that is to be sponsored by the Baptist churches of Calloway County on August 26-31.

Although sponsored by Baptists, the crusade is geared toward sending revival to all denominations by presenting the gospel to the masses. All churches are encouraged to participate in the crusade by promoting it from the pulpit as well as supporting it in attendance. Aside from churches within the county, a large crowd is anticipated from churches in surrounding counties that have expressed a concern to be involved in this evangelistic effort.

An all-county prayer meeting concerning AWAKENING '75 will be held in the Fellowship Hall of First Baptist Church at 7:30 Saturday night. Joe Doran, pastor of Coldwater Baptist Church, will deliver a brief message on "Prevailing Prayer" before dividing into smaller groups for a time of sharing testimonies, ideas concerning the Crusade, and also talking to God.

Rev. C. C. Brasher, chairman of the crusade steering committee, says, "We're expecting more people to attend AWAKENING '75 than any football game held in that stadium. If we can't get more excited about this crusade than an athletic event, then I'm going to be disappointed in the Lord's people."

Rev. Steve Hale will be the evangelist during the crusade while Rev. Ron Hampton will be leading the singing. Rev. Hale, a 22 year-old native of Murray and

graduate of Murray State University, has consistently led revivals during the past two years in this part of the state. Rev. Hampton, another Calloway Countian, has also been active in evangelistic work and has gained experience in forming several religious singing groups. He is the son of Rev. M. M. Hampton, who formerly held pastorates at Sinking Spring and Hazel Baptist churches. Ron is currently minister of music at Memorial Baptist Church.

Eight committees are presently at work laying the foundation for the evangelistic effort. Committee chairmen are: Ray Brownfield, finance; Bill Harrell, parking and grounds; Dan Shipley, prayer; Randy Kursave, visitation; L.D. Cathey, ushers; Joe Pat Winchester, promotion; Ron Hampton, music; and Randolph Allen, counselling and follow-up.

Rev. Brasher elaborated on the potential of such an effort by saying, "We are looking forward to this Crusade with great expectation. God has really been moving upon the hearts of hundreds of people and it is our prayer that many more will recognize the need of a genuine 'heaven-sent' revival. We are asking that every Christian in Calloway County pray that hundreds will come to a saving knowledge of Jesus Christ and that others will commit their lives to full-time Christian ministry."

An all-county prayer meeting concerning AWAKENING '75 will be held in the Fellowship Hall of First Baptist Church Saturday night at 7:30. All concerned persons are urged to attend.

Rev. Steve Hale

Rev. Ron Hampton

Murray High 1955 Class Has Reunion

The class of 1955 of Murray High School held its twenty-year reunion Saturday, July 5, with a majority of the class attending.

The reunion began at 10:00 a.m. with a family coffee at Murray High, followed by a tour of the new building. At 6:00 p.m. the group gathered at the Murray Country Club for a social hour, class picture, and dinner-dance.

Dr. Hal Houston, president of the class, served as master of ceremonies for the evening program. He reminisced about the student days of the Class of '55, recalling the humorous side of student life.

Vice-President Linda Tucker Gage presented awards to various members of the class, and remarks were made by the two class sponsors, Mrs. Dew Drop Rowlett and Fred Schultz.

"In Our Time" was the title of a brief address given by Jerry Roberts. In tracing the history of the past twenty years, Dr. Roberts suggested that although the so-called "silent" generation of the 1950's may have been staggered by the shattering events of the 1960's and early 1970's, it can play a significant and historic role of leadership in binding up the nation's wounds left by the years of civil disorder, Vietnam, and Watergate.

He warned, however, that Americans must see the nation as it really is. He pointed, for example, to the fact that, in concentrating on the great American success story, Americans have always

neglected to look at the other side of the coin—the story of frustration and failure on the part of many trying to rise in American society, and the loneliness and bitterness of the outsider.

In analyzing the meaning of success in life, Dr. Roberts quoted Albert Einstein, who, shortly before his death in 1955, gave this advice to the young: "Never lose a holy curiosity. Try not to become a man of success but rather try to become a man of value. He is considered successful in our day who gets more out of life than he puts in. But a man of value will give more than he receives."

He praised the teachers of Murray High for nurturing "holy curiosities" in students.

"We can never repay them, we can never thank them enough—they know that and we know that," Dr. Roberts declared. "But, wherever we are and whatever we do, whenever we achieve something decent and worthwhile in life, we know that they are a part of that achievement, because they helped prepare us to make our way in the world and they tried to teach us to become men and women of value."

The invocation and the benediction were given by Rev. Robert G. Humphrey, husband of Shirley Joyce Chiles, the class secretary.

Present for the occasion were eighty-five persons which included class members and their husbands or wives. Fifty-eight persons graduated with the class in 1955.

Lawrences and Wilsons Return From Trip To Washington, D. C.

Mr. and Mrs. Terry Lawrence of Murray and daughter, Mrs. Hugo Wilson, and grand-daughter, Tina Wilson, Louisville, have returned from a vacation in Washington, D. C., where they visited with Representative Carroll Hubbard, Jr.

The local group had a tour of the Capitol building including the Rotunda, Statuary Hall, the House and Senate Chambers, and saw the Congress in session.

They visited Arlington National Cemetery, witnessing

the changing of the guards at the tomb of the Unknown Soldiers, and saw the grave sites of President John F. Kennedy and Robert Kennedy.

The four persons also took tours of Alexandria, hometown of George Washington, and on to Mount Vernon, the lovely old mansion of George and Martha Washington where they lived when they died. They toured the White House including the state dining room, grand ballroom, red-blue-green reception rooms, and the lovely Jacqueline Kennedy rose garden.

Your Individual Horoscope

Frances Drake

FOR SATURDAY, JULY 26, 1975

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES (Mar. 21 to Apr. 20) There may be fewer gains now but, conversely, also fewer pitfalls; be on the lookout for both, however. A good day for meetings, agreements involving future projects.

TAURUS (Apr. 21 to May 21) If you have a tight schedule, a deadline to meet, it will be especially important to keep calm. And DO appraise situations carefully before acting. Business matters need extra vigilance.

GEMINI (May 22 to June 21) Avoid activities, ideas or people who are not worthwhile. Temptation sometimes comes in odd garb, so use a careful but not entirely suspicious yardstick.

CANCER (June 22 to July 23) You can choose activities from several areas now, but stay within reasonable boundaries. Stellar influences, fairly auspicious, stimulate your creative leanings.

LEO (July 24 to Aug. 23) You should do especially well now in projects which require careful organization, clever management. Don't let opposition dissuade you.

VIRGO (Aug. 24 to Sept. 23) If careful to guard against impulsive acts and words, the day should be generally smooth. Gains indicated from past efforts.

LIBRA (Sept. 24 to Oct. 23) Think "big" and aim for top achievement. This is no day for pessimism. Concentrate on essentials, and don't overlook even the smallest of your opportunities.

SCORPIO (Oct. 24 to Nov. 23) Opposition from unexpected sources should not disrupt routine or plans previously made. Accept all challenges with your innate sturdiness and affability.

SAGITTARIUS (Nov. 24 to Dec. 23) Be careful not to provoke others in business or social gatherings. You may detect flaws in the reasoning of some, but speak sparingly — and only where it will HELP.

CAPRICORN (Dec. 24 to Jan. 20) Stand pat on decisions which have been carefully made. Resist temptations to "forget" promises, make spur-of-the-moment changes. Some good news in the offing.

AQUARIUS (Jan. 21 to Feb. 19) Your active mind needs expression now. Direct it with forethought and discernment. Review investments, future plans. Changes may soon be required.

PISCES (Feb. 20 to Mar. 20) Aspects fairly generous. Past good work should bring rewards now. In making plans, have alternatives ready.

YOU BORN TODAY are one of the most versatile of all Leotes. There is practically no field in which, properly trained, of course, you could not make an outstanding success. You are highly creative and could excel at writing, painting or sculpture (working in metal or bronze, especially). The stage would also be an excellent outlet for your talents as would be the law or politics. In the legal field your sense of the dramatic would make you an outstanding trial lawyer. Traits to curb: arrogance, overaggressiveness.

Flat 14 Year Old Needs Development Plan—And Padding

By Abigail Van Buren
© 1975 by Chicago Tribune-N.Y. News Synd., Inc.

DEAR ABBY: I'm a 14-year-old girl. My problem is that I am flat, and most boys go for built-up chicks. I know you are going to say, "Wear padded bras," but where will that get me?

I eat everything that is good for me. Fresh fruit, and vegetables, and milk, but it all goes to my stomach, thighs and butt.

I am always cut down because I'm flat. I have to wear children's clothes because I have a 30 AA bust and my hips are 31½. I am 5' 1" and weigh 95 pounds.

I see stuff advertised in magazines, but I haven't sent for any because, in the first place, I don't see how creams can put inches on your bust, and, in the second, my Mom opens all the mail. She would kill me if she knew I was even thinking about anything like that.

Please be a friend and put your answer in the paper. There must be at least a million girls with my problem.

FLAT

DEAR FLAT: You are a very wise girl to wonder how creams could put inches on you. They can't. Be patient. And I AM going to tell you to wear a padded bra. At least you will look better in clothes.

DEAR ABBY: My daughter-in-law runs her house without any schedule or system. She is 31 and so is her husband. Their children are 2 and 4. They eat when they're hungry and go to sleep when they're tired.

I told them nicely that they should get on some kind of schedule, but they paid no attention to me. I also sent them a book on basic child care and nutrition, but I haven't seen any signs of their having read it.

She puts off the housekeeping chores that almost every homemaker does routinely. She just plays with the children and dresses them like dolls, forgetting that balanced meals and a set routine are important to good health.

Please tell me what to do. My nerves get shot every time I go over there and see what is going on.

MOTHER-IN-LAW

DEAR MOTHER-IN-LAW: Be kind to yourself, and don't go over there so often if it upsets you. If your son isn't aware that his wife needs straightening out, let it go. You've done all you can.

DEAR ABBY: About the woman who was "fuming" because her teenage daughter had her ears pierced while she was away for the weekend, knowing that she wouldn't have approved:

I am the proud father of two clean-cut-looking BOYS, ages 17 and 18. Each one wears a round gold ring through his left pierced ear.

This doesn't bother me. I view it as a sign of the times, and the possible revival of the days when it was customary for males to wear earrings.

JOHN IN PONTIAC, MICH.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please. For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

COMMUNITY CALENDAR

Friday, July 25
Homecoming will be held at Mt. Pleasant Cemetery.

Talent Show will be held "Summer in the Park" at the amphitheatre at Paris Landing State Park at eight p.m.

Saturday, July 26
"God Squad Hoho" will be presented by the God Squad of First Christian Church at 7:30 p.m. in the basement of church educational building. Admission will be one dollar for adults with children under twelve free. Proceeds will go to help a needy person here.

New Providence Riding Club will have a horse show at the grounds starting at 7:30 p.m.

Hicks Cemetery homecoming will be from seven a. m. to twelve noon.

Bible Prophecy Crusade will start at the Woodmen of the World Hall at 7:15 p. m. and continue through August 22.

Murray Invitational Dance (Open) will be held at the Murray Country Club with Dr. and Mrs. Chad Stewart as chairmen. Others on the committee are Messrs. and Mesdames Vernon Shown, Billy Thurman, Wells Purdon, Jr., Dick Orr, and Charles Homra.

Dick and Albin Folk Singers from Lexington will present a program at Paris Landing State Park at eight p.m. as a part of the Arts and Crafts festival at the park today and Sunday.

Sassafras tea party will start at ten a.m. at Hematite Lake near Center Station in the Land Between the Lakes.

Sunday, July 27
Broommaking demonstration will be presented at Empire Farm, Land Between the Lakes, from one to five p.m.

Sunday, July 27
Arts and Crafts festival will be at Paris Landing State Park.

Homemade ice cream supper will be by Martin's Chapel-Good Shepherd United Methodist Youth Fellowship at the Good Shepherd Church starting at 5:30 p. m.

Mt. Carmel United Methodist Church will hold its annual homecoming with regular services, basket lunch, and gospel singing.

Sugar Creek Baptist Church will hold homecoming services with regular morning worship, basket dinner, and gospel singing.

Cosmotology workshop, open to any licensed cosmetologist, will be at the Murray State Student Union ballroom from eight a.m. to five p.m. Sessions will also be held on Monday, Tuesday, and Wednesday.

Monday, July 28
Athletic Training Workshop, designed particularly for women coaches and women athletic trainers, will be at Murray State Stadium Training room from nine a.m. to 3:30 p.m. Sessions will continue each day through August 1.

Blood River Baptist Association will meet at Salem Baptist Church near Lynn Grove at ten a.m. Each one is to bring a sack lunch.

Le Leche League will meet at the home of Marcia Darling, 1403 Hughes, at eight p.m. For information call 753-5963.

Recovery, Inc., will meet at the Mental Health Center at 7:30 p.m.

Alateen will meet at the AA Hall at seven p.m.

Senior Citizens board meeting will be held at St. John's Center at ten a.m.

Environmental Education workshop will open at the Youth Station, Land Between the Lakes, and will continue through August 1.

Guest swim day for pre-school through third grade will be at ten a.m. at the Oaks Country Club. Each member may invite two guests and his parents, and each is to bring a sack lunch. Ann Watson and Jennifer Crouse will be in charge.

Picnic baskets will be made at the Murray City Park at nine a.m., unless raining and will be at Ellis Community Center.

Phyllis Kain Hostess For Ladies Golf

Phyllis Kain was hostess for the ladies day golf held Wednesday, July 23 at the Murray Country Club.

Medalist for the day was Beverly Parker. Tied for runner-up were Betty Lowry and Evelyn Jones with the latter winning low net.

Toni Hopson and Betty Stewart tied for first flight medalist honors and Cathryn Garrett won low net.

Second flight winner was Rowena Cullom and runner-up was Rainey Apperson.

Approximately thirty-one women participated in golf play.

At noon a luncheon was served with Mesdames Maurice Humphrey, Holmes Ellis, Tom Rowlett, Frank Ryan, Allen Russell, John E. Scott, Billy Wells, Joe Baker Littleton, Marshall Gordon, Willie W. Gilliam, Kenny Imes, and Tommy Walker as hostesses.

Miss Becky Hart Becomes Bride Of W. David Ginn At Princeton

Miss Becky Lou Hart, daughter of Mr. and Mrs. Garland Hart of Route Three, Princeton, and William David Ginn, son of Mr. and Mrs. J. C. Mahan of Murray and Joseph Ginn of Henderson, were married in a summer wedding at the Pleasant Grove Baptist Church, Princeton.

Rev. Luke Watson officiated at the double ring ceremony. Miss Faye Parker of Madisonville provided the nuptial music.

The altar was decorated with a heart shaped candelabrum flanked by arrangements of spring flowers. The family pews were marked with hurricane lanterns.

Wedding guests were registered by Miss Jan Gresham, cousin of the groom, at a table covered with a hand crocheted cloth made by Mrs. Fred Cravens, the bride's maternal grandmother.

Bride's Dress
Escorted to the altar by her father, the bride wore a gown of white silk fashioned with a scooped neck and tiny tucks down the front and back of the bodice. The long full sleeves ended in wide cuffs fastened with tiny pearl buttons. The floor length skirt was fashioned with a sweeping train and the entire gown was complimented with a finger tip veil.

Her bridal bouquet was a design of multi-colored spring flowers and ribbons. The gown was fashioned by the bride's mother.

Miss Sandra Neal, college roommate of the bride, Hopkinsville, was the maid of honor. Bridesmaids were Miss Ellen Mahan, sister of the groom, and Miss Sarah Hart, sister of the bride.

The attendants wore long gowns of blue silk organza, fashioned with short puffed sleeves and three tiered skirts. Ivory lace was used on the squared necklines, the cuffs of the sleeves, and on each tier of the skirts. They each carried a long stemmed blue tipped carnation tied with blue and yellow ribbons.

Herbert Cravens, cousin of the bride, served as best man. Groomsmen were Joe Ginn, Christian County, and Tim Ginn, Murray, both brothers of the groom. Bob Hart and Fred Hart, brothers of the bride, served as ushers and lighted the candles preceding the ceremony.

Mrs. Hart chose for her daughter's wedding a floor length yellow floral dress of polyester crepe. Mrs. Mahan, mother of the groom, wore a floor length long sleeved gown of dusty pink polyester knit. Both mothers wore cymbidium orchids to match their dresses.

Mrs. Fred Cravens and Mrs. Richard Hart, grandmothers of the bride, and Mrs. Wilson P'Pool, grandmother of the groom, were presented corsages of carnations. Boutonnieres were presented to Richard Hart, grandfather of the bride, and Buddy P'Pool, uncle of the groom.

Reception
Following the ceremony the bride's sisters hosted a reception in the fellowship hall of the church.

The bride's table was covered with a lace trimmed blue cloth centered with white candles in silver candelabra. The three tiered wedding cake was topped with a lacy crown which enclosed the traditional bride and groom statuette. The lower layers were decorated with yellow-roses and blue forget-me-nots.

Miss Judy Swartzell, Christian County, and Miss Cheryl DeArmond, Madisonville, served during the reception.

Following a wedding trip to Nashville, Tenn., the couple is now residing in Christian County.

Rehearsal Dinner
Mr. and Mrs. J. C. Mahan were hosts for the rehearsal dinner held at the Village Inn in Princeton.

Thirty persons were included in the hospitality.

Prenuptial Events
Prenuptial events included a bridesmaids' luncheon given by Miss Sandra Neal at the Colonial House, Hopkinsville; miscellaneous shower given by the bride's friends in the dormitory; a bridal tea with Mrs. Chester Cravens, Mrs. Bobby Horning, Mrs. Richard Hart, Mrs. Randy Wallace, Mrs. Dennis Kirk, Mrs. Bob Hart, Mrs. Marie Burkeen, and Miss Sarah Hart as hostesses; miscellaneous shower with Miss Carol Talley, Mrs. Frank Scott, Miss Marina T aylor, and Miss Debbie Farless as hostesses.

Mr. and Mrs. William David Ginn

Local Scene

Miss Sherry Williams Honored With Coffee At Gibson Home

Miss Sherry Williams, whose marriage to Richard Sims will be an event of August 16, was the recipient of a coffee shower in her honor hosted by Mrs. James Gibson, 1500 Henry Street.

The bride-elect was presented many lovely gifts after which refreshments were served from the candle-lighting dining table.

Guests enjoying the event with Miss Williams were her mother, Mrs. Oren Williams; grandmother, Mrs. Lois Morris; Mesdames Joe Sims, Suella Futrell, Bobby Campbell, James Brandon, Joe Cohoon, Elvin Crouse, James

Futrell, Tom Wells and Misses Carrie Brandon, Angela Futrell and Tammy Crouse.

Blood River WMU Meets At Salem

The quarterly meeting of the Woman's Missionary Union of the Blood River Baptist Association will be held Monday, July 28, at ten a. m. at the Salem Baptist Church, located north of Lynn Grove.

Each one is to bring a sack lunch.

The program for the day will be concerning the youth, according to a WMU spokesman.

Women Meet, New Zion Church

The Blood River Associational Baptist Young Women held their quarterly meeting on July 10 at New Zion Baptist Church.

The host for the July quarterly meeting was the New Zion B.Y.W.'s and co-host was Cherry Grove.

Prayer calendar was given by New Zion, followed by a short business meeting. Special music was presented by Mrs. Ann Lough of Memorial Baptist Church, Murray.

Refreshments were served by the Cherry Grove B.Y.W.'s downstairs after the meeting.

LeLeche League To Hold Meet Monday

The Murray Chapter of Le Leche League will meet Monday, July 28, at eight p. m. in the home of Marcia Darling, 1403 Glendale Road, Murray. "Baby Arrives: The Family and the Breastfed Baby" will be the topic for the discussion at the meeting.

Any one interested in welcome to attend and for more information call Julie Foster, phone 753-5963.

Guest Swim Day At Oaks Club

Guest swim day for pre-school through third grade members of the Oaks Country Club will be held Monday, July 28, at ten a. m. at the club.

Each member may invite two guests and his parents. Each person is to bring a sack lunch, but drinks will be provided.

Ann Watson and Jennifer Crouse will be in charge of the arrangements.

PROTEIN NEEDED

Next to water, protein is the most plentiful substance in your body. If all the water were squeezed out of you - (an awful thought) - about half your dry weight would be protein. A third of your protein is in muscle, a fifth in bone and cartilage and a tenth is in your skin. The rest is in other tissues and body fluids.

Mrs. Wilson Is Honored Here

Mrs. Joe Wilson, who before her recent marriage was Nell Gore of Dexter, was honored with a brunch at Perkins Pancake House.

Hostesses for the occasion were Mrs. Betty Dumas and Mrs. Joyce Haley.

The honoree chose to wear for the occasion a lovely white pant suit with a blue flowered blouse and accessories of blue.

A delicious fruit plate was served to close friends and co-workers of the honoree.

Following the brunch, the guests were invited to the lovely home of Mrs. Ruth Roberts where wedding gifts were presented to the honoree.

Those attending were Mrs. Norma Garland, Mrs. Georgia Garland, Mrs. Judy Edwards, Mrs. Ruth Roberts, Mrs. Jo Mathis, the hostesses, and the honoree.

Handy Item

The narrow rubber spatula with a long handle that's labeled a "bottle and jar scraper" is great to use for removing batter or other mixtures from a small mixing bowl.

Quick 'n easy

Prepare colorful fresh fruits, such as apples, grapes, oranges, pink grapefruit, as you would for fruit cocktail. Marinate in a light pink wine and chill. Fill sherbet glasses with fruits, pour wine over, sprinkle top with fine-grated coconut.

Editorial

Budget Watching Can Be Fun—And Save You Money

Budget watching is not likely to replace televised sports as a national pastime; yet Americans could do worse with some of their spare time than to follow the current Battle of the Budget in Washington.

The Chamber of Commerce of the United States, many years in the forefront opposing excessive government spending, announced recently plans to monitor budget activity and to report to the public in understandable terms, the impact of spending beyond budget limits.

This is a unique time for budget watching—actually deficit watching, since the federal budget for fiscal 1976, which started July 1, calls for a deficit of \$68.8 billion—largest in U.S. history.

What is so unique about deficits? We've run deficits 15 of the last 16 years.

First, the size of the next deficit is going to be critical in our recovery from the recession. Properly handled, the deficit can pump out a steady flow of money to perk up the economy. Allowed to get out of hand, a deficit could trigger another round of inflation.

Secondly, the size of the deficit and its impact comes on top of an already heavy tax burden. Forty percent of our national income is collected and redistributed by governments at the federal, state and local levels. If you had a friend or associate handling 40 percent of your income, wouldn't you be interested in how the friend or associate manages his own budget?

Thirdly, budget watching has some teeth in it for the first time. Prior to 1921 the Federal Government operated without a budget. Congress simply passed appropriation bills without any overall accounting. It went on this way for years. Today, thanks to a new law, the Budget Control Act of 1974, Congress must set target ceilings or guidelines on its spending, based on priorities, and must establish an overall budget total and subceilings.

How will the new law work? Will we pump more money into the economy than is needed to bring about a solid recovery?

As a public service, the National Chamber is following spending activity closely to see how effectively the new law is applied. As an advocate of budget reform, the chamber feels it has an obligation to help ensure the law's success.

Here is what the Chamber plans to do:

—Report regularly on how new spending affects the size of the budget, in terms of cost per household. For example, the \$68.8 billion budget agreed upon by Congress will cost Americans \$962 per household.

—Carry out research, education and action projects designed to create broad understanding and public support for the new budget process.

—Track and study major spending bills to indicate their status and potential impact, if passed, on budget ceilings and the size of the deficit.

In announcing its special scorekeeping program, the Chamber said: "Unless people take an active interest in following developments and legislative activities, the budget process will fail, and the Congress will revert to its previous disorganized, uncoordinated method of lumping together all of the appropriations recommended by different committees to come up with a total cost that is unpredictable and unrealistic in terms of available revenues."

Chamber analysis indicates Congress currently is considering spending proposals which, if enacted, would send the deficit soaring over \$106 billion.

If that happens, according to the Chamber projections, the deficit would cost Americans \$1,490 per household, instead of \$962—an increase of \$528.

Budget watching can be fun, if you like the idea of saving yourself money.

The Holy Spirit In Christian Growth

By H. C. Chiles

The Holy Spirit is not a mere benevolent influence, but He is a Person Who thinks, feels, and wills. His attributes and actions prove His deity. Apart from Him Christian growth is an impossibility. The Holy Spirit enables the Christian to live victoriously and to render effective service for the Lord.

John 16:12-15

After forewarning His disciples of their future persecution by the world, Christ told them that He was going to leave them. Even though His departure was going to be for their benefit, they were overwhelmed with sorrow over it. For the encouragement of the distressed disciples, Christ announced the good news of the coming of the Holy Spirit, whose presence would be a great blessing to them.

Christ told His disciples that, upon His coming, the Holy Spirit would illuminate their understanding, make things clear to them in the way in which they should go. Being of the same nature, mind, understanding, and will as the Father and the Son, the Holy Spirit would be the One Who would interpret the truth and guide them into it. Whereas human wisdom gives us knowledge about God's Word, the Holy Spirit, as interpreter of the Word, gives us knowledge and understanding of the Word itself. God's children should always seek the guidance of the Holy Spirit when they study His Word. The Holy Spirit will guide them into fuller truth and greater light. His guidance is always in harmony with God's Word.

The Holy Spirit glorifies Christ in the experience of the saved by leading them to Him for fresh supplies of grace, peace, wisdom, and strength, and by inspiring them to ascribe to the Saviour the glory which is due Him for their salvation. Power to live in close fellowship with Christ, to overcome worldly aspirations, personal ambitions, fleshly appetites, and human weaknesses, and to render acceptable service for Christ is provided for us by the Holy Spirit. He even enables God's children to pass through great

sorrows with a peace which the world can neither give nor take away.

Romans 8:26-27

Prayer to God is not only a precious privilege, but it is also the inexorable duty of every Christian. Neglect of prayer is a sin against God, others, and ourselves. Our need of assistance in prayer is stated tersely in the words, "For we know not what we should pray for as we ought." We can approach the Father's throne only through Christ our Mediator, but we need to know how to talk with Him.

It is truly wonderful that the Holy Spirit solves this problem for us by bringing our attention the things for which we need to pray and by making intercession for us. How grateful we should be that the Holy Spirit intercedes for us and assists us when we need help in our weaknesses, and in knowing what we should beseech the Father to do for us! The Father and the Son understand the Spirit's language, and so the connection between heaven and earth is made complete. To meet the requirements of true prayer we need a Helper far beyond our own wisdom and strength. All of our prayers may not be in accord with God's will, but the ones which are prompted by the Holy Spirit are in perfect harmony with it. All prayer which the Holy Spirit prompts the Father answers.

When a Christian prays, it is a good thing for him to open his heart to the Spirit's touch and to make those things which are 'impressed' upon his mind the subject of supplication and intercession. What a blessed comfort it is to know that the inarticulate longings of the human heart are interpreted by the Holy Spirit and intercession is made for us by Him! Is the Holy Spirit your prayer partner? Every detail in life, therefore, should be in conscious submission to His leading.

Galatians 5:16-17

In every Christian there is a conflict between the old nature which he possessed prior to his salvation and the new nature which was imparted to him when he was saved. A Christian knows that there is a conflict between the flesh and the Spirit.

Galatians 5:22-25

Paul contrasted the "works (plural) of the flesh" with the "fruit (singular) of the Spirit." The works of the flesh are separate acts performed by an individual, but the nine-fold fruit is the creation of the Holy Spirit. Works are produced by man and fruit is produced by God.

The nine virtues, which constitute "the fruit of the Spirit," fall into three groups: 1. Those related primarily to God. (1) Love. The Holy Spirit produces in the heart of the believer a deepening sense of God's love and the disposition to love Him in return. (2) Joy. Joy dwells in the heart of love. Without the proper relationship to the Lord there cannot be any real joy. (3) Peace. Real peace, which is the product of the Spirit, enables one to recognize God's presence in all the circumstances of life, whether painful or pleasant.

2. Those related primarily to others. (1) Long-suffering. This "is a patient endurance under injuries inflicted by others." (2) Gentleness. This is the ability, given by the Spirit, to hold turbulent feelings in check and to manifest a kindly disposition toward others. (3) Goodness. God-likeness always finds expression in deeds.

3. Those related primarily to ourselves. (1) Faith. When one is full of faith in God, he will prove himself to be dependable and trustworthy in the discharge of his duties. (2) Meekness. Meekness is the very opposite of conceit, pride, and self-assertiveness. It is an evidence of real strength. (3) Self-control. This is not the result of the energy of the flesh, but it is the fruit of the Spirit.

Today In History

By The Associated Press

Today is Friday, July 25, the 206th day of 1975. There are 159 days left in the year.

Today's highlight in history:

On this date in 1963, the United States, the Soviet Union and Britain signed a treaty prohibiting nuclear testing in the atmosphere, in space and under water.

On this date:

In 1799, Napoleon Bonaparte defeated the Turks in a battle in Egypt.

In 1878, the first Chinese diplomatic mission to the United States arrived in Washington.

In 1934, Adolf Hitler staged an unsuccessful attempt to take over Austria. Troops of the Nazi Black Guard assassinated Austrian Chancellor Engelbert Dollfuss.

In 1952, Puerto Rico became a self-governing commonwealth of the United States.

In 1956, the Italian liner, "Andrea Doria," and a Swedish ship, the "Stockholm," collided off the New England coast. The Andrea Doria sank, with a loss of 50 lives.

In 1957, the French National Assembly voted to grant independence to Tunisia.

Ten years ago: Gov. Nelson Rockefeller of New York removed himself from consideration for the Republican Presidential nomination in 1968.

Five years ago: South Vietnamese troops were attacking Communist forces in southeastern Cambodia.

One year ago: President Richard Nixon, speaking before a group of businessmen in Los Angeles, appealed to the American people to spend less money, as part of a program to curb inflation.

Today's birthdays: Democratic Senator Frank Church of Idaho is 51 years old. Longhornsoreman and writer Eric Hoffer is 73.

Thought for today: A handful of common sense is worth a bushel of learning—Spanish proverb.

Bicentennial footnote: It was 200 years ago today that the official report of the Revolutionary War Battle of Bunker Hill reached London. The report said the battle was a victory for the British, but had been won dearly.

Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life. John 6:68.

Like Peter, we can look to no one else to follow. Who else can give us eternal life? Who else or what else can show us the way to the Father? There is no one else!

Bible Thought

Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life. John 6:68.

Like Peter, we can look to no one else to follow. Who else can give us eternal life? Who else or what else can show us the way to the Father? There is no one else!

Contemporary Religious Thought

Is It A Sin To Love Yourself?

By DAVID ROOS
First Christian Church

Often I have talked on this issue which has bugged me for years. Somehow I grew up thinking it was sinful to love myself. And that to the degree that I loved myself, I did not love other people. So I urged people to hate themselves in order to love their fellowman all the more. But quite the contrary is the case! Only to the degree that a person can love himself is he really able to love his neighbor.

Jesus summed up the Old Testament teachings in two sentences: "Love God" and "love your neighbor as yourself!" Someone has quipped that Jesus knew we would love ourselves regardless! But this is not so! Numerous people are suffering mental anguish exactly because they don't love themselves enough!

Erich Fromm in "The Art Of Loving"

puts it succinctly: "If it is a virtue to love my neighbor as a human being, it must also be a virtue—and not a vice—to love myself, since I am a human being, too."

To love my neighbor as myself implies respect for my own integrity and uniqueness, love for and understanding of my own self, and this is inseparably connected to respect, love, and understanding of any other human being. "Love is an attitude which is the same toward all objects, including myself."

Then, how do we explain 'selfishness'? Simply, the selfish person does not love himself too much, but rather too little. In fact, he despises himself. He seems to care too much for himself, but actually this is only a cover-up for the deep underlying hate for his real self. A selfish person can neither love others nor himself.

A person who really loves others, loves himself equally!

HEARTLINE

HEARTLINE is a service for Senior Citizens. Its purpose is to answer questions and solve problems—fast. Write to HEARTLINE, 8514 North Main St., Dayton, Ohio, 45415.

Heartline: I left the railroad industry in 1957 and haven't worked for them since then. I had 9 years of service. I was told last year that I needed 10 years at age 55 to be vested. The new pension law 93-406 states that you need only 8 years to be vested. I am 56 now. What is my status? A.B.

Answer: The new pension law does not pertain to the Railroad Retirement Board. Heartline: Is it true that many Medicare carriers are basing their allowable amounts on outdated figures or averages of what doctors are charging? D.A.

Answer: Sometimes Medicare computes reasonable charges, on which benefit payments are based, only once a year. So, if doctors have raised their charges since the most recent update, there could be a lag until Medicare completes its next annual review.

Heartline: I have heard that there is going to be a raise in Medicare premiums in July of 1975. Is there any validity to this? J.G.

Answer: Unless there is a change in the law, the Medicare premium will not go up from its present level.

Heartline: Will Medicare pay for false teeth? Mr. G.

Answer: No.

Heartline: I have worked steadily in a job covered by Social Security for almost 12 years, but I will not be under Social Security in my new job. Since I will not reach retirement age for many years, I am worried that I won't draw any Social Security benefits at that time. R.S.

Answer: If you have at least 40 quarters of coverage now, you will be insured in the

future. But your benefit will be less than it would be if you continued in a Social Security covered job. This is because the benefit amount is based on your average Social Security earnings for years up to the year you retire and your earnings from the new job will not be credited as Social Security earnings.

Let's Stay Well

Six Meals A Day For Ulcer Patients

By F.J.L. Blassingame, M.D.

BLASSINGAME

Six meals a day have been found to help duodenal ulcer patients.

Robert Blalock, M.D., and associates, at the University of South Florida in Tampa, studied patients with active ulcers and other individuals free of stomach and intestinal disease.

On the first day, all subjects ate three regular meals containing 2,400 calories. The diets were relatively high in carbohydrate and fat and low in protein. Blood samples were examined hourly for 12 hours, including those taken just prior to each meal.

On the second day, all of the subjects were given six small meals (one every two hours) with the same total calories and the same amount of carbohydrate, fat, and protein.

In the healthy persons, no significant differences were noted.

The blood samples in ulcer patients showed release of gastrin (hormone which triggers the formation of acid in the stomach) to be 25 times greater over the 12-hour test period when they ate three meals instead of six.

This abnormal response disappeared completely, according to the researchers, when the ulcer patients ate six small meals a day, with a gastrin pattern essentially the same as in the non-ulcer subjects.

Protein is known to act as a gastrin release stimulant, while fat causes no significant stimulation and may even act as an inhibitor of gastrin.

While additional studies are needed, it appears that six small meals instead of three, high in fat and low in protein, may help to control acid release. Avoiding

high, excessive acid release is considered a desirable step in managing ulcer patients, making them more comfortable and assisting them in avoiding complications of pain, scarring and hemorrhage.

Q Mrs. J.R. asks: What is a cataract? What is done to relieve it? What about vision after treatment?

A. Cataract refers to the development of a grayish cloudiness in the eye's lens, which usually is clear. The cloudiness initially causes blurring of vision, which may become seriously impaired as the cataract advances. This disturbance in vision cannot be corrected by wearing glasses.

Surgery is the treatment of choice, the cloudy material

being removed through an incision at the edge of the cornea. Glasses or contact lenses are worn after the eye heals. The results are generally satisfactory if the work is done by an experienced ophthalmologist.

Q Mr. L.A. asks whether a positive tuberculin skin test means that the person has live tuberculous germs in his body.

A. Animal experiments, and clinical experience confirm the fact that strongly positive skin tests for tuberculosis generally indicate that living tuberculous germs are present and active in the body at the time of the test. If the tuberculin test is positive, a careful examination is indicated to search for the source of trouble so that appropriate treatment may be instituted.

Guest Editorial

From Underpaid To Overpaid

About once a year Congress goes on a rampage to raise federal employee's salaries. They consistently use the argument that government workers must be paid wages at least equivalent to what private industry is paying.

The nonpartisan Tax Foundation reported last week that the average government worker is not underpaid but, on the contrary, is doing much better than his counterpart in the private sector.

The Foundation states that the average federal government worker earns \$12,649 a year. The average worker in private in-

dustry gets \$8,900 a year, nearly \$4,000 less per year.

Federal pay raises, said the Foundation, have increased 39 percent since 1969. In the private sector the increase has been only 26 percent.

So, the next time Congress puts on a long face regarding the plight of the poor federal employees, constituents should remind their congressmen that comparisons are odious, especially when the comparison is that of federal salaries against those of their counterparts in private industry.

—Strasburg Northern Virginia Daily

10 Years Ago

Assets of the three banks in Calloway County climbed by over one and half million dollars during the past six months, according to published reports of the three banks—Dees Bank of Hazel, Bank of Murray, and Peoples Bank.

Mrs. Bruce Grogan, age 74, died this morning at the Murray-Calloway County Hospital.

The Murray Little League All-Stars beat Paducah National in the area tournament held at Benton.

Mrs. Essie Blakely celebrated her 83rd birthday on July 22 at the home of her daughter, Mrs. Ryan Graham.

Rev. and Mrs. Paul Dailey are now on a tour of the Holy Land. He is presently pastor of a Baptist Church at Lincoln Park, Mich.

20 Years Ago

The Little League All-Stars defeated the Benton All-Stars 4 to 3 in a thrilling extra inning game. Oakley was the Murray pitcher.

Limon Colson, age 64, died at the Murray General Hospital.

Three hundred quail will be released by the Calloway County Sportsmen's Club on July 30 in groups of three pairs in Calloway County.

Bobby Bazzell and June Foy of Calloway County, Anna Sue Hamilton and Joe Ed Andrews of Graves County, and Edwina Henson and Jimmy Dunigan of Marshall County are winners of Bronze Medals at the Dawson Springs 4-H Club Camp.

Thirty-six Murray students of the Fort Campbell ROTC Summer Camp are now in the midst of a five days' exercise.

...a virtue to love

ON Vacation

This is the time when many people are heading for the beach, the mountains, searching for a change—a vacation. For most, this also means a vacation from church. It doesn't have to. Wherever you go there is probably a church of your choice nearby. There you will be met with warmth and fellowship.

Don't take a vacation from church—visit the church of your choice this Sunday.

Murray All-Stars To State Again!

MURRAY LEDGER & TIMES SPORTS

Delatte To Go Against McKown In Net Finals

By BILL HENDRICK
Associated Press Writer
LOUISVILLE, Ky. (AP) — Tracy Delatte says he agrees with the truism that in sports, on any given day, any team or any person can be beaten.

He'll have a chance to prove that today when he meets Ben McKown in the National Junior Clay Court Tennis Championships.

McKown, 18, of Lakeland, Fla., has rolled to easy victories since the tournament began on Monday. He's the tournament's top-seeded player and the defending national juniors champion.

He's beaten his opponents so badly that he left them in awe. One victim, Mark Vines of Richmond, Va., predicted McKown would win the tournament without losing a set.

"He's like a machine out there. He never makes a mistake," Vines commented.

Delatte, 18, of Lafayette, La., also thinks highly of McKown. "I'm nervous about it," Delatte said Thursday night. "I've got to figure out a way to play him."

If Delatte surprises McKown, it won't be the first time he's raised eyebrows at the tournament. The Louisiana native wasn't picked to go far in the

tournament, but he's upset three players who were.

On Thursday, he downed No. 4 Matt Mitchell of Palo Alto, Calif., 4-6, 6-3 and 6-2.

Delatte said he has watched McKown and studied his game and has reached the following conclusion:

"On the clay, he's got to be one of the best," Delatte said.

"He's almost unbeatable in the juniors. I have a lot of respect for his game. He is super tough."

But Delatte is no newcomer to clay court competition.

"I was brought up on the clay too," he said.

Delatte said his doubles part-

ner, Tim Gary of Chattanooga, Tenn., defeated McKown last year when the two met in a national tournament.

"I think he can give me some information that will let me beat him," Delatte commented. "I either want to come into the net or bring him into the net."

He said he doesn't know what the odds are for his match, but that his chances "were pretty slim in my last two" contests.

"Anything is possible, you know."

McKown's latest victim was Bill Scanlon of Dallas, Tex., whom he defeated 6-3, 6-2.

In the other semifinal contest today, second-seeded Jai DiLouie of Dallas plays No. 8 Tony Giammalva of Houston.

DeLouie defeated Tut Bartzon of Fort Worth 6-1, 6-2, and Giammalva downed John Rast of St. Petersburg, Fla., 6-1, 6-4.

He overpowered just about everybody. And the people he didn't overpower found

themselves thrown out at first base as the Murray infielders did a super job.

Rhodes started off the game in flying colors. He struck out the first three batters in the top of the first. Murray was the home team by virtue of winning a coin toss.

In the Murray half of the first, Joel Klein reached base on a walk. After one out, Eddie Requarth reached base as his ground ball forced Klein at second. Then Robert Santagado drilled a double and that scored Requarth to post Murray to an early 1-0 lead.

Henderson got two of its four hits in the second inning. The run scored on a groundout to short.

The top of the third was probably the most exciting inning in the contest. With one out, a slow roller was hit back toward the mound. Rhodes tried to barehand the ball but missed it.

The next batter drilled a low liner into rightcenter. Centerfielder Robert Santagado came charging in and dove for the ball, just missing a spectacular play. Santagado landed on his shoulder and rightfielder Darwin Bumphis picked up the ball and fired to third base.

Third-baseman Kern Kendall was there and the throw nailed the Henderson runner, who had started toward home but saw

the throw by Bumphis and decided he could get back to the bag easier than he could get home.

The next man hit a one-hop shot right at shortstop Scott Hill who somehow happened to be in the right place at the right time. Hill also had his glove in the right place too and he speared the ball and fired to first to retire the side.

"I was shaken up a little when I saw Santagado go down," Rhodes said. "But then after he got back up and said he was ready to play, I settled back down."

Joel Klein led off the top of the third inning for Murray by ripping a single just by the shortstop's glove. Bumphis reached on a fielder's choice that forced Klein at second.

Eddie Requarth laced a hard single and Bumphis made the turn at third. The throw from the leftfielder hit Bumphis right in the helmet and Murray led 2-1.

In the fourth inning, Rhodes reached back for the smoke. His control was just sensational. He worked the corners, going inside and then to the outside. He had his rhythm down perfectly, firing bullets and then going to the curve.

Never in the contest did Rhodes throw a pitch higher than the strike zone. And he never threw many lower either!

Rhodes coasted through the fourth inning. In the fifth, a wicked shot was hit in center and Santagado backed up against the fence and leaped to knock down the ball, which would have probably been a homer. Santagado was given an error on the play, though it was hit so hard it probably should have been ruled a basehit.

But Rhodes was undaunted and worked out of the jam without any further problems.

With one out in the bottom of the fifth, Klein came to bat.

Klein hadn't played too much in the three games at Paducah in the District Tournament. An excellent student of the game, Klein is a super third base coach. His third base coaching was responsible for two runs in one game last week.

Klein found another way to score runs. He drilled a belt-high pitch far over the fence in left center and Murray had a 3-1 lead.

But the excitement wasn't over yet.

With one out, Henderson got its last hit of the game, a single. And then came the most exciting play of the game!

A bouncer was hit right back at the box toward Rhodes. He got the ball and fired it to Eddie Requarth who was covering second. That forced one man and Requarth whirled the ball to Randy Mayfield at first to

complete the doubleplay and the game.

"It was a fine game between two fine teams," said Manager Hamp Erwin, who has rolled up a 10-1 record as the All-Star manager in the last two seasons.

"Rhodes was superb. He had excellent control and showed a great deal of poise on the mound."

Last year, the Little League All-Stars dropped a 4-2 contest in 11 innings in the first game at the State Tournament.

This year, with the tourney in nearby Mayfield, a huge throng from Murray is expected to support this fine team in its bid for a State Championship. And if Murray should win the state, then they would go to Florida to play in a four-team tourney.

And if they win there, it would be on to Williamsport, Pa., and the Little League World Series.

It's a long way off but who knows. It had been 15 years since a Murray All-Star team had won a game in Henderson before last night.

Eddie Rhodes Fires Mound Gem As Murray Takes 3-1 Contest Over Tough Henderson

By MIKE BRANDON
Ledger & Times Sports Editor
Eddie Rhodes was sitting in his bedroom Thursday morning when the storm hit Murray. A streak of blue lightning shot right through the living room and knocked out the air conditioner.

Thursday night in Henderson, a streak of blue lightning shot over the Little League diamond. And the blue lightning, coming from the arm of the fireballing southpaw, knocked out Henderson.

Rhodes was almost unbelievable. He had pinpoint control, fanning eight batters and not walking anyone in the 3-1 victory by the Murray Little League All-Stars.

And now, for the second consecutive year, the Murray Little League All-Stars will be playing in the State Tournament. Four teams will comprise the field for the tourney which will begin Thursday in Mayfield.

"I wasn't at all nervous before the game," Rhodes said. "There was only once in the game I was really worried. I went to a 3-2 count on one batter. My goal was not to walk anyone so I just reached back and tried to overpower him."

Rhodes did.

He overpowered just about everybody. And the people he didn't overpower found

themselves thrown out at first base as the Murray infielders did a super job.

Rhodes started off the game in flying colors. He struck out the first three batters in the top of the first. Murray was the home team by virtue of winning a coin toss.

In the Murray half of the first, Joel Klein reached base on a walk. After one out, Eddie Requarth reached base as his ground ball forced Klein at second. Then Robert Santagado drilled a double and that scored Requarth to post Murray to an early 1-0 lead.

Henderson got two of its four hits in the second inning. The run scored on a groundout to short.

The top of the third was probably the most exciting inning in the contest. With one out, a slow roller was hit back toward the mound. Rhodes tried to barehand the ball but missed it.

The next batter drilled a low liner into rightcenter. Centerfielder Robert Santagado came charging in and dove for the ball, just missing a spectacular play. Santagado landed on his shoulder and rightfielder Darwin Bumphis picked up the ball and fired to third base.

Third-baseman Kern Kendall was there and the throw nailed the Henderson runner, who had started toward home but saw

the throw by Bumphis and decided he could get back to the bag easier than he could get home.

The next man hit a one-hop shot right at shortstop Scott Hill who somehow happened to be in the right place at the right time. Hill also had his glove in the right place too and he speared the ball and fired to first to retire the side.

"I was shaken up a little when I saw Santagado go down," Rhodes said. "But then after he got back up and said he was ready to play, I settled back down."

Joel Klein led off the top of the third inning for Murray by ripping a single just by the shortstop's glove. Bumphis reached on a fielder's choice that forced Klein at second.

Eddie Requarth laced a hard single and Bumphis made the turn at third. The throw from the leftfielder hit Bumphis right in the helmet and Murray led 2-1.

In the fourth inning, Rhodes reached back for the smoke. His control was just sensational. He worked the corners, going inside and then to the outside. He had his rhythm down perfectly, firing bullets and then going to the curve.

Never in the contest did Rhodes throw a pitch higher than the strike zone. And he never threw many lower either!

Rhodes coasted through the fourth inning. In the fifth, a wicked shot was hit in center and Santagado backed up against the fence and leaped to knock down the ball, which would have probably been a homer. Santagado was given an error on the play, though it was hit so hard it probably should have been ruled a basehit.

But Rhodes was undaunted and worked out of the jam without any further problems.

With one out in the bottom of the fifth, Klein came to bat.

Klein hadn't played too much in the three games at Paducah in the District Tournament. An excellent student of the game, Klein is a super third base coach. His third base coaching was responsible for two runs in one game last week.

Klein found another way to score runs. He drilled a belt-high pitch far over the fence in left center and Murray had a 3-1 lead.

But the excitement wasn't over yet.

With one out, Henderson got its last hit of the game, a single. And then came the most exciting play of the game!

A bouncer was hit right back at the box toward Rhodes. He got the ball and fired it to Eddie Requarth who was covering second. That forced one man and Requarth whirled the ball to Randy Mayfield at first to

complete the doubleplay and the game.

"It was a fine game between two fine teams," said Manager Hamp Erwin, who has rolled up a 10-1 record as the All-Star manager in the last two seasons.

"Rhodes was superb. He had excellent control and showed a great deal of poise on the mound."

Last year, the Little League All-Stars dropped a 4-2 contest in 11 innings in the first game at the State Tournament.

This year, with the tourney in nearby Mayfield, a huge throng from Murray is expected to support this fine team in its bid for a State Championship. And if Murray should win the state, then they would go to Florida to play in a four-team tourney.

And if they win there, it would be on to Williamsport, Pa., and the Little League World Series.

It's a long way off but who knows. It had been 15 years since a Murray All-Star team had won a game in Henderson before last night.

Shaw Wins Another Gold Medal In World Aquatic Swimming

By FRED ROTHENBERG
AP Sports Writer

CALI, Colombia (AP) — The American women are putting the red, white and blue on their nails but it's the sensational Tim Shaw who is plastering the patriotic colors all over the freestyle record book.

Shaw, the world record holder in the 400, 800 and 1,500-meter freestyles, won his second gold medal Thursday night, once again taking the measure of Bruce Furniss, his friend and Amateur Athletic Union teammate.

Swimming a race against the incredible Shaw is much like matching a jalopy against an Indianapolis 500 race car. It is, to put it mildly, a mismatch.

And Furniss' frustration was written all over his face following the race, which Shaw led from start to finish.

"I'm a little disappointed," said Furniss, of Santa Ana, Calif., who lost Tuesday night to Shaw in the 200 freestyle—the event in which Furniss holds the world record. "In the second 100 my legs were gone."

"I stayed smooth in the first part of the race," said Shaw, from Long Beach, Calif. "I made it hurt a little as the race went on. You don't win unless you feel pain. When I knew I only had 50 meters more, I really started to push. I didn't have to save it anymore."

Shaw's winning time of 3 minutes 54.88 seconds was off his world record clocking of 3:53.95. Furniss was clocked in 3:57.71 and Frank Pfutze of

East Germany was third in 4:01.10.

Shaw and Furniss' 1-2 finish Thursday night started the powerful American swimmers on another medal binge, in which they carried off two golds, two silvers and three bronzes, building their team leading total in the swimming competition to six golds, five silvers and five bronzes. The runner-up East Germans, who beat the Americans in swimming gold medals at the first

aquatic games in Belgrade in 1973—thanks to a 1-3 edge in the women's events—have six golds, six silvers and two bronzes.

Overall in the aquatics competition that ends Sunday and includes events in diving, water polo and synchronized swimming, the Americans have Phil Boggs' gold medal in the men's springboard diving and Christine Looock's bronze medal in the women's springboard diving event.

Don Shelton Named To Reidland Football Staff

Don Shelton of Murray, a former head football coach at Murray State, is back in the business of coaching after nine years on the sidelines.

Shelton was named Thursday night by the McCracken County Board of Education to an assistant's post at Reidland High School.

Shelton will be the offensive coordinator under head coach Roger White, a former football player at Murray State. Besides coaching, Shelton will also be teaching. He will serve as a social studies instructor at Reidland Middle School.

Shelton began his coaching career as an assistant at East High School in Jefferson County where he stayed two years. He was an assistant for one year at Roosevelt High School in Atlanta, Ga.

For six years, Shelton was the head coach at Henderson before accepting the head coaching job at Murray State. Shelton spent seven years at the helm of the Racers, leaving the post in 1966.

Since that time, he has been employed at Murray State University.

"I'm really excited about getting back into coaching," Shelton said.

"Most people who have been out of coaching for a while desire to have the chance to get back in. I'm really pleased to go into a school system with the caliber of McCracken County."

Red Sox Hot And Yanks Sweating In AL Chase

By KEN RAPPOPORT
AP Sports Writer

It's the Boston Red Sox who are hot...but it's the New York Yankees who are sweating in the American League East.

The Red Sox hold an eight-game lead over New York and intend to enhance it as they confront the Yankees tonight in the start of a four-game series.

"New York's eight games behind us and they've got to get a split with us this weekend or it doesn't do them a bit of good," said Carl Yastrzemski after the Red Sox stopped the Minnesota Twins 6-2 Thursday for their 14th victory in 16 games.

"With the starters we've got, I think we're in pretty good shape. This is by far the best Red Sox team I've played on."

Luis Tiant, one of the premier starters referred to by Yastrzemski, will pitch the series opener in Shea Stadium against New York's Rudy May. Rick Wise, another of those excellent Boston pitchers, stopped the Twins on nine hits Thursday while the Yankees were

Stay In Seats

CINCINNATI (AP) — Fans with tickets for all four games of this weekend's Cincinnati Reds-Los Angeles Dodgers series may be well advised to stay in their seats.

It could be the only open space in town.

Hotels throughout the Cincinnati area report no vacancies for Friday and Saturday nights, due mainly to the baseball showdown. "Go get yourself a tent and camp at Kings Island," advised an employee at a nearby motel. "You probably can't get a hotel room this side of Dayton."

The Friday night doubleheader has been a sellout for nearly a month and near-capacity crowds are expected for the Saturday and Sunday games as well. And newspaper ads seeking tickets have also been abundant lately, but there seem to be few sellers.

losing a doubleheader to the Chicago White Sox, 4-3 in 11 innings and 1-0.

"The pressure isn't on us," said Darrell Johnson, Boston's smug manager. "It's on the other teams in the division and we're doing everything right at

present." The Baltimore Orioles, virtually tied with New York for second place, beat the Milwaukee Brewers 10-7 to stay within hailing distance of the Red Sox.

The Detroit Tigers stopped the Oakland A's 5-2 in the only other American League action. Rain postponed the Cleveland-Texas game.

Wise, 13-6, won his sixth straight game and eighth in the last nine decisions while beating Minnesota. He got offensive support from Jim Rice, who walloped a two-run homer in the first inning, his 16th of the year.

White Sox 4-1, Yankees 3-0
Catcher Brian Downing, the ninth batter in Chicago's lineup, hit his sixth home run of the season, a one-out shot off Dick Tidrow in the 11th inning, to carry Chicago to a dramatic victory over New York in the first game of their doubleheader.

Then Tidrow hit Bill Melton with a pitch with the bases loaded and two out in the eighth inning, forcing in the run that gave the White Sox their victory in the second game.

Orioles 10, Brewers 7
Jim Northrup and Doug DeCinces drilled run-scoring doubles in a four-run sixth inning, triggering Baltimore to its victory over homer-happy Milwaukee. The Brewers blasted five homers, including Hank Aaron's 743rd career shot.

The Orioles were losing 4-2 when a walk to Lee May triggered their winning rally in the sixth. Northrup doubled home May and took third on the relay throw from the outfield. Then he scored on a wild pitch by Pete Broberg.

Tigers 5, A's 2
Joe Coleman and John Hiller combined on a three-hitter, helping Detroit snap a four-game losing streak with its victory over Oakland.

Coleman, 8-12, worked 62-3 innings and allowed all three Oakland hits before Hiller came in and recorded his 14th save of the season. Detroit hit three sacrifice flies, two by rookie Jack Pierce.

GOLF

ILE BIZARD, Que. — Jack Nicklaus and Tom Weiskopf each carded 65's to tie for the lead in the uncompleted, and rainedelayed, first round of the \$200,000 Canadian Open Golf Tournament.

KANSAS CITY — Raymond Cragun birdied three consecutive holes to come from behind and eliminate Bruce Hollowell 4 and 3 in the third round of the Trans-Mississippi golf tournament.

MURRAY LEDGER & TIMES SPORTS

Kranepool Hoping To Be In Game For Another 14

By KEN RAPPOPORT
AP Sports Writer

NEW YORK (AP) — After 14 years in the big leagues, most baseball players think about retirement. Not Ed Kranepool. He's thinking about 14 more.

A new world has opened for the New York Mets' 30-year-old veteran, who suddenly finds himself a hitting star with an aggressive, new batting style.

"Last year, he started to be a smarter hitter," says New York Manager Yogi Berra. "Now he's hitting the ball where it's pitched. Before, he used to dive after the ball and pop up. Now, he's more selective."

As a result, Kranepool—the only original member of the expansionist Mets—is batting .352 and aiming for higher goals.

"I'm not surprised at my performance," says Kranepool, an \$85,000 bonus baby in 1962. "I always had confidence in myself—even when—I went back to the minor leagues for a while. I'm just a little more aggressive now. Pressure doesn't bother me. I'm not going to strike out too often."

Kranepool, who only hit .300 one time in his major league career—last season when he came to bat only 217 times—has established himself as one of the most feared hitters in the National League. In his latest batting tear, he's collected 14 hits in 28 times up. And all season long, he's been the model of consistency.

He came into this season with a modest .254 lifetime batting average.

"I really feel as if I've had two careers with the Mets—before 1969 and after 1969," Kranepool says. "When I first started out with New York, we'd lose 100 games a year. Baseball was no fun then—even if you had a good day individually. Now, it's great being with a team that wins. And the way I'm hitting, well, it's even greater."

Kranepool is a product of James Monroe High School in the Bronx, a school that produced such famous baseball names as slugger Hank Greenberg and Charlie Fox, the longtime San Francisco manager. He signed as a 17-year-old wonder boy with the brand-new Mets' organization, touted as a can't-miss star. But he never lived up to his press clippings—at least not until this year.

"I wasn't ready for the big leagues," he admits, "and pitchers took advantage of me. Now I'm starting to catch up with them."

First Start

WESTBURY, N.Y. (AP) — Deputy Marshall, making his first start at the track, is the early 8-5 favorite to win the \$101,550 Realization Trot for 4-year-olds at Roosevelt Raceway tonight. The son of Speedster will be driven by Terry Holton and will leave from the No. 1 post in the 11-16th-mile test.

Keystone Gabriel, with Billy Haughton in the sulky, is the 4-1 second choice in the field of nine.

Dodgers Face Crucial Series With Hot Reds

By BRUCE LOWITT
AP Sports Writer

It's a do-or-die weekend for Walter Alston and the Dodgers. And while a lot of people seem to feel the Dodgers already have one foot in the coffin and can only step out of it by sweeping four games from Cincinnati this weekend, Alston is as unflappable as ever.

"I feel that we have to win six of our remaining 11 games with the Reds to stand a chance," he blithely announced Thursday. "But no one game is any bigger than another."

Oh, yeah? Try asking his players—like Steve Garvey, for example—and you'll find out differently.

"Until we can get it together against the rest of the teams, it looks like the only way we're going to get close again is in the head-to-head games with Cincinnati," Garvey said. "We need to take this series for more than the obvious reason. Maybe it can help us get our adrenalin going again."

They got it going pretty good on Thursday against St. Louis, routing the Cardinals 8-2. But despite the victory, Los Angeles remained a whopping 12½ games back of the Reds in the National League West going into this evening's two-night doubleheader in Cincinnati.

Reds 2, Mets 1

The Reds did a bit of building themselves—building on their

dominance of Mets' ace Tom Seaver. They beat him for the 16th time in 25 career decisions and the third time in four decisions this year, all that despite the fact that Seaver surpassed the 2,000 strikeout mark in his career, only the 27th pitcher to do so in major league history. Seaver gave up what proved to be his downfall in the second inning on run-scoring singles by Cesar Geronimo and winning pitcher Fred Norman.

Braves 5, Phillies 4

Phil Niekro hurled a five-hitter and doubled home Atlanta's winning run in a two-run seventh inning to drop the Phils 4½ games behind idle Pittsburgh in the East Division.

With one out in the seventh, Larvell Blanks singled and Biff Pocoroba doubled to break a 3-3 tie, then Niekro won the game—chasing Larry Christenson in the process—with his double down the right field line.

Astros 6, Expos 5

Larry Milbourne drilled a two-run triple to highlight a four-run sixth inning that carried the Astros past Montreal. Bob Watson's single, a balk by

Steve Renko and and Mill May's hit tied the score 3-3. Then Roger Metzger singled, both runners scored on Milbourne's shot to right-center field and Milbourne came home on Wilbur Howard's single.

Cubs 4, Giants 3

Gene Hiser drove in one run and scored one to lead Chicago past the Giants. The Cubs got two runs in the first inning on a bases-loaded walk and Hiser's sacrifice fly, then Hiser singled in the fourth, triggering a two-run inning with the scoring coming on a single by pitcher Bill Bonham and Don Kessinger's sacrifice fly.

Funerals

Billy Gayle Reed Dies Thursday At The Age Of 41

Billy Gayle Reed of 504 Pine Street, Murray, died Thursday at 8:48 p.m. at Lourdes Hospital, Paducah, where he had been a patient since Tuesday after being transferred from the Murray-Calloway County Hospital.

The Murray man was 41 years of age and was a member of the Church of Christ. He had taken disability retirement after having been employed as a machine operator and with the Pepsi-Cola Company in Michigan. Born May 8, 1934, at Lynnville, he was the son of Neval Reed and Annie Waggoner Ellison, who survive.

Mr. Reed is survived by his wife, Mrs. Betty Reed, and three sons, Richard, Steve, and Paul Reed, all of 504 Pine Street, Murray; one daughter, Mrs. Jerrod (Patricia) Cheatham, and one granddaughter, Christy Lynn Cheatham, both of Junction City, Kansas; father, Neval Reed of Lynnville; mother, Mrs. Roy (Annie) Ellison of Murray Route One.

Funeral services will be held Sunday at two p.m. at the chapel of the Max Churchill Funeral Home with Bro. John Dale officiating. Burial will be in the Seay Cemetery at Lynnville.

Serving as pallbearers will be Billy J. Bruce, Wayne Thorn, Barry James, Bobby Reed, Ray Reed, and Mose Reed.

Friends may call at the funeral home after nine a.m. on Saturday.

Miss Effie Watson Dies This Morning; Funeral Saturday

Miss Effie Watson, retired Murray businesswoman, died this morning at 4:45 at the Convalescent Division of the Murray-Calloway County Hospital. She was 83 years of age and resided at 627 Ellis Drive, Murray.

The Murray woman was co-owner with Mrs. Ethel Key in the local dress shop, Murray Fashion Shoppe, for many years. She later worked in a secretarial position with the late Otis Patton, local real estate man.

Miss Watson was a member of the Seventh and Poplar Church of Christ, and is survived by several nieces and nephews. Born February 24, 1892, in Calloway County, she was the daughter of the late Bert Watson and Rebecca Hardison Watson.

The funeral will be held Saturday at two p.m. at the chapel of the J. H. Churchill Funeral Home with Bro. John Dale and Bro. Bill Hart officiating. Burial will be in the Goshen Cemetery.

Friends may call at the funeral home after six p.m. today (Friday).

Tornado Rips Trail Through Canadian Community Thursday

ST. BONAVENTURE, Que. (AP) — "The air was full of debris. Trees were falling everywhere."

Etienne Labonte spoke of the tornado that ripped a five-mile trail of destruction through this small farming community Thursday evening, killing a woman and her twin infant daughters and wrecking the town's main street.

Quebec Provincial Police said in addition to those killed, about 45 residents of this 2,500-population town 50 miles north-east of Montreal were hospitalized.

Late Thursday evening, authorities reported that 14 persons had died in the storm. But

later they said the count had been based on erroneous information.

Some 100 buildings, including the local church, rectory, water tower and school, were destroyed or heavily damaged, along with numerous houses and barns. Scores of farm animals were killed, and trees, power lines and telephone wires were strewn across the countryside.

A police spokesman said

damage was "too vast to estimate," and the local priest, the Rev. Theophile Cote, said "the whole town will have to be rebuilt."

"The tornado picked up trees around my house and some went in one direction, some went another," said Jean-Paul Bonin, who runs a farm two miles south of the town.

Bonin said his son's home, just 200 yards away, was wrecked, along with outlying

farm buildings. The house was empty at the time.

He said his house was just slightly damaged, but that some neighboring houses "were flattened."

Telesepe Delorme, who lives about four miles from the town, said he received "only the tail end of the tornado, but my neighbor's cows are nearly all dead."

BIBLE PROPHECY CRUSADE

STARTING JULY 26 THRU AUGUST 22 - 7:15 to 8:30

At the Woodmen of the World Hall, corner of Maple & 3rd Streets. If you would like to know more about the books of Daniel and Revelation attend this Crusade. There will be a drawing for a family Bible the opening night, (Sat. July 26) and a free book for everyone. There will be further announcements for free books at the Crusade. The first seven nights will be as follows.

July 26	THE MAN THAT TRIED TO HELP GOD, BUT GOT IN THE WAY Are You getting in the way of God?	July 29	THE LITTLE HORN OF THE BEAST IN DANIEL 7. Find out what it is.
July 27	WHAT JESUS DID FOR YOU. Come and find out what He did for you.	July 30	THE WORLDS ONLY HOPE. This is your only hope.
July 28	GOD UNFOLDS THE FUTURE. What does the future hold for you?	July 31	WHEN WILL THE END COME? You need to know.
		Aug. 1	HOW SHOULD I BE BAPTIZED? Does it make a difference?

FRED L. ROGERS CRUSADE SPEAKER

12-Year-Old Unimpressed By Revelry At Splashdown Party

SPACE CENTER, Houston (AP) — "It's just a bunch of huggin' and kissin' and shoutin' and I didn't get no champagne."

So spoke a disgruntled buddy of 12-year-old Kevin Brand, one of the few splashdown party spectators unimpressed or uninvolved in the revelry hailing the return to earth Thursday of the Apollo astronauts.

Television viewers across this space community watched the bull's-eye splashdown and recovery of Tom Stafford, Deke Slayton and Vance Brand, but

it was something special for the astronauts' families.

"It's still the same old tense splashdown," sighed Faye Stafford.

"I cried a bit," admitted Marjory Slayton.

"It was marvelous, wasn't it?" asked Joan Brand.

Following custom, Mrs. Stafford and Mrs. Slayton invited friends into their homes for private television sessions and parties.

But not Mrs. Brand, who broke totally with tradition, first by working all day at her

job as construction supervisor for a Houston area home-builder.

Then she opened the doors of a nearby office for a madcap TV party punctuated by the sounds of popping champagne corks and attended by at least 100 persons, including kids and a gentleman clad in orange cowboy boots and turquoise western suit.

"Down the hatch," said Mrs. Brand happily as she led off a champagne toast with sons Kevin and Patrick, 17, and daughter Susan, 21.

The Brand family got a special treat in that Stephanie Brand, 19, appeared on the live telecast of the splashdown and recovery as a guest of one of the national networks.

"I'm not sure what I thought about that, but I laughed a lot at her," said Kevin, who watched most of the proceedings sprawled across his mother's lap, then joined a group of young friends for a party of his own.

He was not impressed by the champagne — "I've had it before at New Year's Eve. I don't like the taste but I drink it anyway."

Mrs. Brand intended to send her husband a special message in Hawaii today to mark their 22nd wedding anniversary. And she figures Brand is already pondering his next space mission.

"I imagine he will now more than ever want to stay with the space program," she predicted.

Mrs. Stafford, meanwhile, took note of her husband's four space missions to date and said, "I think this is the last one. But that's what I thought on Apollo 10."

Mrs. Slayton, whose husband had waited 16 years for this, his first space flight, emerged from her home, lifted a champagne glass skyward and said simply, "To Dad and the other guys."

Marshall Jones, left, retired U. S. Ambassador, spoke at the meeting of the Murray Lions Club on Tuesday evening at the Murray Woman's Club House. With Jones is Howard Koenen, member of the Public Relations and Publicity Committee of the club.

Civic Music Association Plans Attractions For Coming Season

The Board of Directors of the Murray Civic Music Association met Tuesday at 4:30 p. m. in the office of the chairman, Richard Farrell, Fine Arts Building, Murray State University.

Members discussed the attractions for the 1975-76 Civic Music Season with two major attractions already booked.

The Kick-Off Celebration for the workers in the Membership Drive will be held on Sunday, September 7. The campaign to sell memberships in the association will last for two weeks through September 19.

No single admissions to any attraction will be sold, and all those holding memberships will be able to attend the music series at Paducah and Martin, Tenn., also with their membership ticket. The Murray Association functions in cooperation with Murray State University and the Kentucky Arts Commission.

Joint Bible School By Hazel, Green Plain Is Planned

The Hazel and Green Plain congregations of the church of Christ will hold a joint Bible School August 4-8 at seven p. m. nightly.

A special class in church leadership will be offered for adult men and will be taught by Darrell Brandon of Coldwater and Doug Brown, Sr. of Mayfield.

Anyone desiring transportation may call the Hazel church office, 492-8603, or call 492-8104 or 498-8126, and in the Green Plain area, call 492-8206. All visitors are welcome, a church spokesman said.

Don Riley will speak at the regular Sunday morning worship service at the Hazel church. His topic will be "DEVOUT - but DECEIVED" with scripture reading from Acts 2:5-41. Sunday night Don Starks, missionary to Trinidad will speak.

Thanks to Jerry Bolls of Murray for his help in training song leaders, said members of the church.

OAKS PARTY

The Swim Party for members of the Oaks Country Club in grades nine through twelve, scheduled for tonight (Friday) has been cancelled, a club spokesman said.

Ledbetter Baptist Church, located off Highway 94 East, will hear Bro. Heyward Roberts, pastor of the Flint Baptist Church, as evangelist during the revival services at the Ledbetter Church starting Sunday, July 27, and continuing through Saturday, August 2. Services will be at 7:30 p. m. each evening and the Ledbetter pastor, Bro. Howard Copeland, Jr., invites the public to attend.

Highway Department Overtime Pay Dispute Under Investigation

NEWPORT, Ky. (AP) — State and federal auditors have begun an investigation of state Bureau of Highways' payroll records in response to charges from local employees that they are due more than \$10,000 in overtime.

And the probe is to continue, auditors said Thursday, despite notice from Frankfort that the checks are being processed and may be available as early as today.

Bobby Dobbins, the Northern Kentucky field representative for the U.S. Department of Labor's Wage and Hour Division, would not disclose the exact nature of the employees' complaint against the state. But he said investigation of possible state violations of wage and hour laws will continue, despite this

promise of payment.

The complaining workers, all twelve in upper level supervisory positions, have not received checks for overtime in almost four months, according to their boss, Richard Carr, senior construction engineer in the Bureau of Highways Newport office.

Carr said he and the eleven other supervisors are now due \$10,768.67 in overtime.

John C. Roberts, Department of Transportation secretary, acknowledged Thursday that the checks had been "piling up" at the state Department of Personnel. But Roberts and personnel department Commissioner Cattie Lou Miller both indicated yesterday that the problem was resolved two weeks ago when two transportation department

officials were appointed to review all overtime requests for that large department.

Roberts said he had previously assured Miss Miller and state Finance and Administration Director William Scent that all such claims from his department would be policed for possible fraud. However, he indicated that all pending claims were found to be legitimate.

He said, to date, approximately \$40,000 in overtime pay vouchers have been received from across the state and been approved and are now being processed.

In the future, the transportation chief said J.R. Harbison, state highway engineer, will review all overtime pay requests from supervisory personnel.

Nader Calls For Ford Aid On Lid Shortage

By BETTY ANNE WILLIAMS
Associated Press Writer
WASHINGTON (AP) — Consumer advocate Ralph Nader says a little attention from President Ford would encourage manufacturers to turn out canning jar lids to ease the shortage plaguing many of the nation's estimated 20 million home canners.

All that is needed to increase manufacturers' interest in expanding jar lid production is to "just have President Ford go on television and say this is a crisis, we can't let this food rot," according to Nader.

He said another effective strategy would be to permit more imports of jar lids from Japan, which he said has expressed an interest in the business.

Nader's suggestions were

made in testimony before a House commodities and services subcommittee which has been looking into the causes of the shortage.

The Federal Trade Commis-

sion also is investigating the shortage.

The probe will center on the four regions in which the shortage is most severe — the Pacific Northwest, the Midwest, the

Southeast and the East Coast, according to Robert E. Liedquist, acting director of the FTC's Bureau of Competition.

Liedquist said it is possible that the current shortage of

canning lids could be caused by anticompetitive activity unlike the scarcity in 1974 which was caused by a lack of materials.

Any such anticompetitive activity would be designed to encourage consumers to purchase more expensive sets of jars, lids and rings, or it could lead

to higher prices later for lids.

Nader urged that the FTC not discount the possibility of industry collusion is causing the scarcity.

He said that two companies, the Ball Co. and Kerr Co., dominate 90 per cent of the market.

The Agriculture Department has estimated that six million new gardens were planted last year and another six million will be planted in 1975.

The jar lid shortage is a problem for those who can year after year. Although the jars may be used again, the lids

must be replaced with each use.

Liedquist promised that the FTC probe would be thorough and expeditious. Rep. Charles J. Carney, D-Ohio, accepted the promise but warned that the subcommittee will ask for frequent if not weekly reports.

Students Win Top Honors

Tracie Leibfried, Madisonville-North Hopkins High School, and Edd Hurt, Clarksville, Tenn., High School, have won top honors in writing with their contributions to the initial edition of a semi-annual literary publication at Murray State University, "The Shagbark Review."

Miss Leibfried's poem, "We Were Together," was selected as the most outstanding of the 57 selected for the poetry section of the new publication, sponsored by the University's Department of English and President Constantine W. Curris.

Its editors are Roy Helton, Dr. Thayne Anderson and Peter Lund, faculty members in the department. A second issue of the publication, the first of which was 70 pages in length, is scheduled for production in the fall. High school students from across the region are invited to submit both poetry and fiction for publishing consideration.

Hurt, whose short story, "Getting a Little Culture," was awarded the top honor in the fiction competition, also won runnerup honors in the poetry division with his poem, "The Real Story Behind Cats."

The third prize winner in poetry was Jo Osborne, Crittenden County High School, Marion, for her entry, "The Rain Falls Softly in a Mist." In fourth place was Susan Clark, Madisonville-North Hopkins High School, with her poem, "Sun-Burnt Sand and Solar-caine."

Only one other top winner was designated in the fiction competition. It went to Sally Provo, Clarksville Academy, Clarksville, Tenn., for her "Portal to Honesty."

Friendship Church Plans Gospel Meet

A series of gospel meetings will be held at the Friendship Church of Christ from Sunday, July 27, through Saturday, August 2, with services at 7:30 each evening.

Walter W. Pigg, Jr., will be the speaker and Wayne Clark will be in charge of the song service. An additional service

Walter W. Pigg, Jr.

will be held Sunday at eleven a. m. with Bible classes for all ages at ten a. m.

Bro. Pigg, who presently works with the Hickory Grove Church of Christ, has worked with churches in Mississippi, Florida, Tennessee, Kentucky, and Washington. He has done mission work in India, and is presently the editor of the Mount Zion newsletter, a bi-monthly report on the activities of the Mt. Zion Bible College and the work of the Churches of Christ in that area of India.

The public is invited to attend, a church spokesman said.

The Industrial Revolution started in England about 1760 when machines replaced hand tools.

THIS GREAT PRE-FALL SALE STARTS MONDAY!

Come See... Come Buy!

REMNANT HOUSE

America's Greatest KNOT VALUE

Here they are... All the Newest Fall Knits at Direct Mill to You Savings! All the Newest Weaves, All the New Fall Colors and all from our own Knit Mill! Never Before Such fine Quality... Never Before such a tremendous Selection... Never Before such Unbelievable Low, Low Prices! NO - BODY, BUT NO - BODY UNDERSELLS REMNANT HOUSE ON FIRST QUALITY POLYESTER DOUBLE KNITS!

NEVER BEFORE AT THIS LOW PRICE! REG. \$3.99 yd.

DENIM LOOK POLYESTER DOUBLE KNITS

\$1.77 YD.

- The Look of Blue Jean Denim
- The Comfort of Double Knit
- 60" wide, Full Bolts, 100% Polyester
- Denim Blue Only
- Save \$2.22 on every yard you buy

THESE ARE SELLING ELSEWHERE AT \$4.00 yd.

SOLID POLYESTER INTERLOCK KNITS

\$1.88 YD.

- The Slinky Look Polyester Interlock
- Newest Fall Fashion Prints
- 100% Polyester, Machine Washable
- 60" wide, Full Bolts, Screen Prints

UNBELIEVABLE! FAMOUS "CONCORD" \$3.99 yd.

60" COTTON & POLYESTER PRINTED KNITS

\$1.66 YD.

- 60" Printed Single Knits
- 50% Polyester, 50% Cotton
- Ideal for Jean Tops, Blouses etc.
- Handscreened Prints by "Concord"
- Save up to \$2.33 on Every Yard!

COMPARE ANYWHERE AT \$4.00 to \$5.00 yd.

BRAND NEW FALL DYED-TO-MATCH POLYESTER DOUBLE KNITS

\$2.88 YD.

- Dyed-To-Match Multi-Color Fancies and Solids
- All Brand New Fall '75 Weaves and Fashion Colors
- 60" wide, Full Bolts, all 100% Polyester
- Over 600 different patterns to select from
- Buy during this advance sale and save to \$2.12 yd.

REG. \$6.00 yd. POLYESTER

GABARDINE DOUBLE KNITS

\$3.88 YD.

- The Look of Gabardine
- The Comfort of Double Knit
- 60" wide, Full Bolts
- 25 New Fall Fashion colors

REG. \$6.00 yd. - POLYESTER
